

## LUMEN CHRISTI COLLEGE HOME TECHNOLOGY USE AGREEMENT

---

### I will protect my reputation and privacy.

- I will create privacy settings on social networking sites.
- I will keep my password private.
- I will not to give out my personal information (like my address) to someone I don't know.
- I will not put myself at risk by posting indecent photos.
- I will not post anything on my profile that I wouldn't want my parents, teachers, or future employers to see.

### I will demonstrate my maturity.

- I agree to only use the Internet responsibly and not be hurtful to anyone.
- I agree not to use technology to plagiarise school assignments.
- I agree not to acquire pirated music, games, applications or movies.
- I will be mindful of how much technology I use and will balance it with other activities in my life.
- I will confide in an adult if anything potentially dangerous happens online.
- I agree to prioritise my school work over recreational technology use.
- I agree to get a good night's sleep and not to get distracted by technology when I should be sleeping.

### I will think first.

- I know that not everything I read or see is true, and I will think about whether a source or person is credible.
- I agree to think about and understand anything I download or any survey I fill out.
- I will earn my independence and my parents' trust.
- I will help my parents understand why technology is important to me.
- I will show my parents how to use the technology that I like if they are interested in learning.
- I will recognise that my safety and well-being is more important to them than anything else.

### In exchange, my parents agree to:

- Be open-minded about the technology I use and recognise that it's part of my life, even if they don't always understand why.
- Let me make some mistakes and help me learn from them.
- Talk with me about what worries them and why before saying "no".
- Respect my privacy and talk to me if they have concerns.
- Embrace my world: try to understand downloads, instant messaging, online games, and Web sites that I use.
